

# Class Theory - Libertarian not Marxist

**Net Tax Eater** - anyone who consumes more taxes than they pay.

Also called: Tax-sucker, Parasite, Crony, Statist Serf or Sycophant, and Government Toady.

All government employees and corporate cronies are net tax eaters.

**Net Tax Payer** - anyone who pays more taxes than they consume.

Also called: Taxpayer, Producer, Exploited/ Oppressed Citizen, and Government Milk Cow.

All people who are robbed by the State without receiving compensating direct benefits are net tax payers.

**It's producers vs. parasites, people!**
