

# Which Graph Looks Scarier?

## New reported cases by day in the United States

Note: The seven-day average is the average of a day and the previous six days of data.

## New reported deaths by day in the United States

These are days with a data reporting anomaly. The Times is working to provide more information.

# Which Graph Does Mainstream Media Show?

Both Graphs are from the New York Times.  
The first is on the main page, front and center.  
The second requires scrolling down several pages to see.
