

# Tale of two CEOs: Which one supports freedom of speech?

Tim Cook - Apple

**Rulers: We demand you give us a back door so we can spy.**

**Cook: There's **no fucking way** we'd screw our customers like that!**

Kim Godwin - ABC

**Rulers: Fire Kimmel or we'll yank your broadcast license.**

**Godwin: Yes, master, whatever you say.  
**Would you like a blowjob, too?****
